chased the interest of myt rother in the old established Gallery in Union street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, renovated and enlarged the suite of Rooms throughout. That my facilities are now better to produce first-class work than most Galleries can boast of, and conduce to the comfort of our patrons. I trust not only to sustain the proud position the Gallery has herefore sustained, but to elevate it to a still higher standard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in the State, but my work shall not be surpassed North or South, and now introduce to the public the following new styles: \$1000 A YEAR can be made by everywhere, is selling the above work, as our induce-ments to all such are very liberal.
